ABOUT THE EDGE

- The Edge was founded in 2008 to bring a full range of educational services under one roof to better serve the needs of students, families, schools, and companies.
- We believe that proper education shouldn’t teach us what to think, but how to think.
- We’re committed to constantly improving our services and to ensuring the satisfaction of the communities we serve.

WHY CHOOSE THE EDGE?

Outstanding Teachers: Many teachers come from top academic institutions around the world and undergo a rigorous 3-month training program to ensure quality in the classroom.

Free Course Retakes: Need a refresher before the test? Taking the ACT or SAT a second time and want to brush up on a certain section? Students and families can rest assured - we offer free retakes for most test preparation courses!

The Most Insider Admissions Experience: We have more former Admissions officers than any other organization in HK, so our team knows better than anyone how to guide students and families through the difficult university application process.

Transparent Reporting For Families: Our Edge360 system gives parents constant feedback on their children’s progress in private lessons, allowing them to stay better informed of students’ growth and areas for improvement.

Learn Anywhere: With the arrival of The Edge Prep, our new online Test Preparation platform, students now have more ways than ever before to use our proven systems to improve your scores and get into your dream school.

2019-20 UNIVERSITY ADMISSIONS RESULTS:

The Edge’s students have continued to receive acceptances from great schools this year! Huge congratulations to the students who got these wonderful results.

### Test Preparation: IELTS and TOEFL

The IELTS and TOEFL are the two most widely accepted standardized tests of English language proficiency for non-native English language speakers wishing to enroll in universities. Our IELTS and TOEFL courses help our students improve test results through our proprietary approach, which focuses on overall linguistic competence and confidence in the usage of English as a communicative tool.

- **IELTS and TOEFL**

- Learn and review fundamentals of literary and rhetorical analysis
- Gather micro- and macro-strategies for use on the IB examinations
- Learn strategies for writing the unseen commentary or comparative essay
- Recognize and understand classic essay prompts

Recommended for: Students who need to improve or solidify their ability to analyze a variety of texts and write effective essays and commentaries in school and on the IB examinations

**IB HUMANITIES, MATH, AND SCIENCE**

Math | Physics | Chemistry | Biology | Economics
- Review fundamental concepts students have learned in school
- Learn subject-specific strategies for the IB examination
- Helps student recognize and solve Classic Question types identified through decades of research

Recommended for: Students who want or need to improve their performance on the IB examinations

**IB MATH COMMON CORE**

As the new IB Math curriculum has been launched in Sept 2019 for the IB Class of 2021, we are running a new IB Math Common Core course to help students who are in the first year of IB get prepared for the upcoming syllabus changes. Students will learn the common core topics covered under the new IB Math curriculum, which these concepts can be applied to both the Approaches and Analysis (AA) and Applications and Interpretations (AI) curricula.

Recommended for: Students who are going to the first year of IB get prepared for the upcoming syllabus changes as well as stay ahead of their in-school instruction.

**ACADEMIC TUTORING: IB TEST PREPARATION**

Our IB Test Preparation program teaches students how to apply the knowledge they learn in school to the IB examinations, a gap many students struggle with. Using our proven test preparation methodology, our IB trained teachers will help students excel in the exam.
