ABOUT THE EDGE

- The Edge was founded in 2008 to bring a full range of educational services under one roof to better serve the needs of students, families, schools, and companies
- We believe that proper education shouldn't teach us what to think, but how to think
- We're committed to constantly improving our services and to ensuring the satisfaction of the communities we serve

WHY CHOOSE THE EDGE?

Outstanding Teachers: Many teachers come from top academic institutions around the world and undergo a rigorous 3-month training program to ensure quality in the classroom.

The Most Insider Admissions Experience: We have more former Admissions officers than any other organization in HK, so our team knows better than anyone how to guide students and families through the difficult university application process.

Hong Kong's Premier SAT Test Preparation: We're proud to be Hong Kong's most popular provider with well over 20,000 student hours of test preparation tutoring and courses each year.

Free Course Retakes: Need a refresher before the test? Taking the ACT or SAT a second time and want to brush up on a certain section? Students and families can rest assured - we offer free retakes for most test preparation courses!

Transparent Reporting For Families: Our Edge360 system gives parents constant feedback on their children's progress in private lessons, allowing them to stay better informed of students' growth and areas for improvement.

Learn Anywhere: With the arrival of The Edge Prep, our new online Test Preparation platform, students now have more ways than ever before to use our proven systems to improve your scores and get into your dream school.

2020-21 UNIVERSITY ADMISSIONS RESULTS

The Edge's students have continued to receive acceptances from great schools this year! Huge congratulations to the students who got these wonderful results.

"The hardest part of applying to universities was my personal statement since I didn't know what to write about. Fortunately, Karen helped me refine my personal statement to best reflect my academic interests and goals. The best aspect of working with Karen was her clear feedback. While some tutors might provide vague suggestions, I left every meeting with a specific plan of what I needed to work on. More importantly, she has been really supportive throughout the whole process."

TEST PREPARATION: IELTS AND TOEFL

The IELTS and TOEFL are the two most widely accepted standardized tests of English language proficiency for non-native English language speakers wishing to enroll in universities. Our IELTS and TOEFL courses help our students improve test results through our proprietary approach, which focuses on overall linguistic competence and confidence in the usage of English as a communicative tool.

IELTS AND TOEFL

- Expand vocabulary and knowledge of idiomatic phrases and academic collocations
- Identify problem areas within different test sections
- Apply Classic Question based strategies to effectively answer test questions

> "Glad to share my happiness of my IB results 45/45. Thanks for going through the ups and downs with me in studying LitA and also TOK. From the endless IOs to the amendments of TOK essays, Karin has guided me through the bits and pieces, enabling me to achieve such a satisfactory grade. Grateful to be taught by such a caring and supportive teacher."
