Student Reviews on Gary Keung

M.K., 2023 Student, AIS (Hong Kong)

The University of Hong Kong

"I have just received an offer of acceptance from the HKU Master of Global Management Programme. Thank you so much! I couldn't have done without you! I still can't believe I got in!"

E.H., 2022 Student, St. Michael University School (Canada)

University of Southern California

"I'm really grateful to have had Gary's guidance throughout the university admissions process. I will be attending University of Southern California this autumn and without him, I would have been lost and unable to keep up with deadlines. Without his perspective on my essays, I know I wouldn't have been accepted into as many universities."
