ABOUT THE EDGE

- The Edge was founded in 2008 to bring a full range of educational services under one roof to better serve the needs of students, families, schools, and companies.
- We believe that proper education shouldn't teach us what to think, but how to think.
- We're committed to constantly improving our services and to ensuring the satisfaction of the communities we serve.

WHY CHOOSE THE EDGE?

Outstanding Teachers: Many teachers come from top academic institutions around the world and undergo a rigorous 3-month training program to ensure quality in the classroom.

Transparent Reporting For Families: Our Edge360 system gives parents constant feedback on their children's progress in private lessons, allowing them to stay better informed of students' growth and areas for improvement.

Hong Kong's Premier SAT Test Preparation: We're proud to be Hong Kong's most popular provider with well over 20,000 student hours of test preparation tutoring and courses each year.

Free Edge Prep: We offer free Edge Prep, our online Test Preparation platform, for most test preparation courses. Students can now use our proven systems to improve their scores and get into their dream school anytime, anywhere.

Thank YOU so much for all the hard work, assistance, and patient guidance to my daughter in the past 2 years! It's amazing! With your help, my daughter's aim is really being put through and now she can study at the University of Cambridge. Three kids.....The Edge :)
