**Education shouldn't  
teach us  
what to think,  
but how to think.**

Duc Luu, Founder of The Edge Learning Center

## ABOUT THE EDGE

- The Edge was founded in 2008 to bring a full range of educational services under one roof to better serve the needs of students, families, schools, and companies.
- We believe that proper education shouldn't teach us what to think, but how to think.
- We're committed to constantly improving our services and to ensuring the satisfaction of the communities we serve.

## WHY CHOOSE THE EDGE?

**Outstanding Teachers:** Many teachers come from top academic institutions around the world and undergo a rigorous 3-month training program to ensure quality in the classroom.

**Free Course Retakes:** Need a refresher before the test? Taking the ACT or SAT a second time and want to brush up on a certain section? We offer free retakes for most test preparation courses!

**The Most Insider Admissions Experience:** We have more former Admissions officers than any other organization in HK, so our team knows better than anyone on how to guide students and families through the difficult university application process.

**Transparent Reporting For Families:** Our Edge360 system gives parents constant feedback on their children's progress in private lessons, allowing them to stay better informed of students' growth and areas for improvement.

**Hong Kong's Premier SAT Test Preparation:** We're proud to be Hong Kong's most popular provider with well over 20,000 student hours of test preparation tutoring and courses each year.

**Pre-Lesson Consultation**  
We offer pre-private lesson or group class consultation to ensure the academic goal is well-communicated and the timing fits well to the student's personal schedule..

Thank YOU so much for all the hard work, assistance, and patient guidance to my daughter in the past 2 years! It's amazing! With your help, my daughter's aim is really being put through and now she can study at the University of Cambridge. Three kids.....The Edge :)

## TEST PREPARATION

### The Edge's Test Preparation Timeline

I just got my result back for the October SAT, and I managed to score 1500 this time! I had 50/52 for reading, 39/44 for writing, and 56/58 for Math. Thank you so much for your help! I can finally cross that off my college checklist now."

## PSAT VS SAT: HOW ARE THEY DIFFERENT?

The PSAT (Preliminary SAT) and the SAT are almost identical. Both tests assess students' math, reading, and writing skills. There are, however, some differences you must know as you prepare for each test. In the webinar, our Head of Academics Mr. Leo Lam discussed the key differences between PSAT and SAT and shared his expert study tips.
