Student Reviews on Najeeb Sheikh

2024 Summer SAT Mini Power Course Student

“Thanks to Najeeb’s class. I now have a better grasp of the types of questions and topics I struggle with. I would definitely suggest this course to students who already have a solid foundation in SAT.”

2024 Summer SAT Mini Power Course Student

“I gained many new strategies and confidence in Najeeb’s class. The lesson is very helpful and engaging.”

L.C., 2023 SAT Student

“I just received my score for my recent digital SAT, and I scored 1600! Thank you for all the help over the past few months!”

Parent of 2023 SAT Math Student, C.D.

“My daughter’s feedback on the SAT Math course is pretty helpful. Can she also enroll for English and come to class tomorrow? Thank you!”

J.C., 2023 SAT Math Builder Course Student

“I further developed more knowledge which might not have been covered at school but might appear on the SAT. I will recommend it to my friends and tell them the course will give them guaranteed improvement.”

T.M. 2024 SAT Private Student

“Thanks Najeeb. He gave me a good understanding of what the SAT is like.”
