Student Reviews on Peter Thomas

R.C. Student of Edge Writing Level 4 Course, CIS (Hong Kong)

"Very impressive. Peter's comments are very thorough indeed. To be honest better than the comments from CIS's teachers."

Q.C., 2024 IGCSE English Student

"Mr. Thomas made me understand how to correct some mistakes in my writing and helped me set weaknesses so that I can improve more."

N.L., 2024 IB English Literature Student

"Our friend, C.Y., who studies in Year 11 at the same school as my daughter, says that Mr. Peter Thomas is a good teacher of English Literature. My daughter is currently in Year 10 and studying in an international school. She got a 5 for her English analysis assessments and wishes to achieve a strong 7. I would like her to try the trial lesson with Peter to see if it is suitable for her."

M.C., 2023 Academic Writing Student

"Peter can point out how to write a good essay."

A.W., 2023 Pre-IB English Student

"Peter had prepared for the lesson, with notes on the material sent beforehand. He provided constructive feedback on my work sample and communicated effectively, which stimulated my interest in the topic."

S.C., 2023 IGCSE English Private Lesson Student

"Very clear, friendly and useful. Peter gave insight into the level of textual analysis required at IB. I learned a lot from my son."
