Q.C., 2024 IGCSE English Student

"Mr. Thomas made me understand how to correct some mistakes in my writing and helped me set weaknesses so that I can improve more."

N.L., 2024 IB English Literature Student

"Our friend, C.Y., who studies in Year 11 at the same school as my daughter, says that Mr. Peter Thomas is a good teacher of English Literature. My daughter is currently in Year 10 and studying in an international school. She got a 5 for her English analysis assessments and wishes to achieve a strong 7. I would like her to try the trial lesson with Peter to see if it is suitable for her."

M.C., 2023 Academic Writing Student

"Peter can point out how to write a good essay."
