ABOUT THE EDGE

- The Edge was founded in 2008 to bring a full range of educational services under one roof to better serve the needs of students, families, schools, and companies.
- We believe that proper education shouldn't teach us what to think, but how to think.
- We're committed to constantly improving our services and to ensuring the satisfaction of the communities we serve.

WHY CHOOSE THE EDGE?

Outstanding Teachers: Many teachers come from top academic institutions around the world and undergo a rigorous 3-month training program to ensure quality in the classroom.

Transparent Reporting For Families: Our Edge360 system gives parents constant feedback on their children's progress in private lessons, allowing them to stay better informed of students' growth and areas for improvement.

The Most Insider Admissions Experience: We have more former Admissions officers than any other organization in HK, so our team knows better than anyone on how to guide students and families through the difficult university application process.

SAT Digital Mock Platform: Our SAT platform has a vast question library with over 2,500 questions and 16 expert-designed mock tests. It is ideal for SAT candidates who have already completed all the Bluebook mock exams offered by the College Board.

Hong Kong's Premier SAT Test Preparation: We're proud to be Hong Kong's most popular provider with well over 20,000 student hours of test preparation tutoring and courses each year.

SAT Prep Strategies, Practice & Learning Resources: Our teaching team maintains comprehensive and up-to-date SAT practice and learning resources. Additionally, students will receive strategic guidance on how to effectively use past papers, practice materials, and learning resources to achieve their academic goals within a specific timeframe.

Free Course Retakes: Need a refresher before the test? Taking the ACT or SAT a second time and want to brush up on a certain section? We offer free retakes for most test preparation courses!

Grateful to be taught by such a caring and supportive teacher.
